Breezy, Sunny Harbor Days

By Dionne F. Richmond

Whatever means of tranportation --- strollers, biking, walking or driving –people left their houses with one destination in mind--Mattapoisett Harbor Days.

The streets were lined with cars, as crowds poured into Shipyard Park to check out the handmade crafts and eat delicious food down by the harbor under the bright blue skies.

And for those who parked far away and got a little hungry on their journey to Shipyard Park, some young entrepreneurs devised their own lemonade, cookie and brownie stand.

Those who wanted to stay cool remained under the tents, while others strolled down the Mattapoisett Wharf to enjoy the warm, breezy day. Boats rocked back and forth in the water vigorously as gusts of wind took over. On Sunday, kids lined up to admire the bright red fire engines and watch the realistic demonstration of the Harbor Emergency Response and Rescue demonstration.

Others sat on benches, relaxing and meeting up with old friends or just listening to entertaining bands such as Dean and John Easy Listening, Cranberry Shores Chorus Barbershop (they were dressed alike in pinstripe tops), Starstruck, Couto and Mulligan, Chris Richards, Jeff Dunn Band, or Blues Alley.

There was an eclectic array of jewelery, pottery, dolls, wooden lighthouses, hand blown glass, potpourri, sand art, hand crafted mailboxes, stained glass, dried floral arrangements, flags, clothing, bears, quilts, hats, furniture and historical items. Many people travelled from all over to revisit their favorite booths.

The art auction drew a large crowd, as many entered the raffle in hopes of winning the "Three Mattapoisett Scenes" donated by artist Arthur Moniz worth about $2,500. The winner hasn't been announced yet. All of the proceeds benefit eye research and other Lions Club charities.

There was something there for everyone to enjoy at the ever popular Harbor Days in Mattapoisett.

On Saturday night square dancers clad in country attire were spinning, twirling and do-si-doing on the town wharf with Dick Leger. The multi-colored dresses flared out as the couples danced after sunset.

The First Congregational Church Of Marion - Annual Summer Fair

For over 100 years, the First Congregational Church of Marion has held an annual fund-raising event at 28 Main Street. What began as a sale of hand-sewn aprons and children's clothing has grown into an annual summer fair. This year the church's traditional summer fair will be held on the church grounds on the corner of Main and Front Streets Saturday, July 27th from 10:00 am to 1:30 pm. The Chapel Cafe, featuring lobster roll plates, will open at 11:00 am in the Community Center Hall. The prepared foods table will sell ready-to-heat casseroles, meat pies, hors d'oeuvres and canapes, jams, and pickles in the church vestry. The Sweet Shop, with homemade fudge and other candy, and the Cheese Table will be set up in the vestry too, with entrance through the side door of the church.

The Bakery will offer bread, muffins, cakes and cookies. Crafts, made by parishioners, will be sold. The Silent Auction Table will display special items including a handmade checkerboard game. Bids will be accepted on the items from 10:00 am until 1:00 pm.

Book browsers will want to visit the book table for paperback and hardcover bargains. Book

meeting to be held on Monday, July 29th at 6:00 pm in the Town Hall to discuss the master plan and open space issues.

The Board reviewed the following correspondence for the evening:

• A letter was received from Mr. and Mrs. James J. Murray commending Animal Control Officer Kathleen Massey for helping them when they found a bird after Hurricane Bertha. "She was very professional about the situation, showing us the proper way to handle and care for the bird," they wrote. The also commended her for her compassion and capabilities at her job.

• Fire Chief Ronald Scott informed the board that effective July 15, 1996 Florence Dubois was hired to fill the

clerical position at the Fire Department.

• A memo was also received from Chief Scott advising that as of July 19th, the recovery wells are in and operating at the police department. He also wrote that all of the EPA and DEP permits are in place.

• Commissioner of Veterans Services Hudner submitted a letter with regard to the legal right of all veterans to receive financial assistance if needed.

• The Planning Board also submitted a copy of an agreement dated July 8, 1996 between Richard Burke, Diane Perry, Stephen C. Rand and Brandt Island Corporation.

• Selectmen also received the Cherry Sheet figures for FY 1997. The board explained that the end result is a balanced budget.

• Representative Straus submitted a letter relative to legislative efforts to stop the Department of Environmental Protection from forcing Mattapoisett to close its landfill. He states that he believes that the refined procedures of DEP are protective of the town's interests and should give the Board of Health the ability to respond to whatever planning they have with regard to the future of the landfill. Selectman DeCosta said the landfill isn't something that can be arbitrarily closed.

Under the Executive Secretary's report, Ms. Adams brought up a few questions about the placement of the town privilege stickers. She informed Selectmen of

two complaints she received about placing the sticker on the left front bumper of vehicles. One resident wanted to know if the board officially voted on the placement of the stickers. It was also noted that some residents aren't affixing their stickers on their vehicles.

Ms. Adams explained that placing the stickers in the same place makes it easier on the beach staff and police who patrol the area.

After much discussion, the Board voted to leave the stickers on the left front bumper and those with complaints must be dealt with on a case by case basis.

In other business the board voted to reverse their prior decision to create a Recreation Committee. Selectman Lambalot said the general feeling of the last meeting was that those interested in serving on the committee could volunteer for the MYAA. Selectman Bernier said it was "hard to spit in their eye" after the MYAA has been volunteering their time for town recreation activities for the past two years.

Selectman Lambalot suggested all of those who

were interested in serving on the Recreational Committee contact members of the MYAA to work with them instead.

Next Selectmen discussed a prior letter from the Mattapoisett Brotherhood requesting they be paid for the July 4th holiday as other town employees did.

Chairman DeCosta thought they should be fair to all employees. "We gave it to the highway department, Board of Health, the Landfill was closed," said Chairman DeCosta.

Selectman discussed whether they should pay overtime to those who worked that day, whether they should give everyone in the departement an extra day off or pay everybody for the holiday. Selectman Lambalot explained he didn't know where they would get the money to pay the officers. He will meet with the Police Chief and the Brotherhood and come back with a proposal for Selectmen.

Selectman Bernier also mentioned she looked into the role of the Buzzards Bay Project as a result of last week's discussion about the various town committees for a master plan. She said they offer technical assistance when applying for grants and welcomed their help and resources.

A meeting was also scheduled for August 19th at 7:00 pm for Selectmen to meet with all department heads to discuss who would be interested in serving on committees for a master plan and open space plan.

Marion Selectmen's Meeting

July 23, 1996

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, July 23 at 7:00 pm by Chairman Jonathan "Jody" Dickerson. Also present were Selectman Albert E. Winters, Selectman Loretta B. Schaefer, and Secretary Helene Craver.

After approving the minutes of the July 9 meeting, the board unanimously approved a request for an All-Alcoholic Beverage License for the Marion VFW Pavilion on Route 6 for the organization's Annual Clambake which will be held on August 12.

Under incoming correspondence for the week, the board received a response from Assistant District Attorney Robert C. Thompson regarding a possible Open Meeting Law violation. According to Mr. Thompson, an investigation was conducted into whether the Board of Selectmen violated the Open Meeting Law in September of 1995 by making a decision outside of a properly posted meeting. The alleged violation was brought to the District Attorney's office by resident Olive E. Harris.

"Our investigation was based on the facts that in

an Open Session on June 27, 1995 one Selectman stated they would take the request for additional fencing under advisement," Mr. Thompson wrote. "Then, even though there is no record of any discussion or vote in an Open Session, in September (1995) newspapers reported the Board had decided against additional fencing."

Mr. Thompson agreed that the board had not disclosed any evidence that a decision was made outside of a properly-posted meeting and had not violated the Open Meeting Law. "Our review of the records on the issue from June 1995 through January 1996 showed that the board members consistently expressed their opinions that additional fencing was not warranted," Mr.

Thompson stated in the letter.

"I hope this puts the matter to rest once and for all," Selectman Winters said.

Margaret D. Xifaras next submitted a request on behalf of Shelly and John Keith of Shellheap Road so that they may be allowed to use the beach area for overflow parking of vehicles during a function at their home on Sunday, August 11 from 4:00 to 7:00 pm. Ms. Xifaras already discussed the possibility of hiring a detail police to handle the flow of traffic with Police Chief Brian J. Scott. The board unanimously approved the request.

Lois B. Clark of South Shore Generator Service, Inc. submitted a letter to the board regarding a recent bid they submitted on a generator for the Marion Fire Department. Although South Shore Generator submitted the lowest of four bids at $11,500, they were not selected the town's Procurement Officer.

In an attached memo from Executive Secretary Ray Pickles, he noted that although South Shore Generator was the lowest bidder, the specifications called for both delivery and installation of the generator. "South Shore Generator's bid did not include installation and was clearly marked 'Tailgate Delivery,'" according to Mr. Pickles' memo. The bid was awarded to R. A. Mitchell at $11,745.

The board received notification from Old Rochester Regional High School Athletic Director Joao Rodrigues regarding the high school's Fall Sports Calendar. The Boosters Club is currently soliciting advertising for the calendar, and interested residents and businesses should write to: ORR Booster Club, c/o Pat Harrington, 446 County Street, New Bedford, MA 02740.

Conservation Commission Chairman Frank Germano next submitted a copy of a letter he sent to Stephen Morss of Point Road regarding a complaint issued over Mr. Morss' cutting of the wetlands on his property. Mr. Germano requested permission to view the area on July 20. In an attached letter, Mr. Morss said he would not allow any member of the ConCom on his property without a court order, and maintained that the

complaint was unfounded. However, Mr. Germano — who was present at the Selectmen's meeting — said the matter has been resolved.

Nancy M. Salois, Community Relations Manager with Continental Cablevision, sent a letter to the board to thank them for endorsing an amendment in the town's license from a two-fiber I-NET system to a Hybrid Fiber Coaxial (HFC) system. The decision has allowed Continental Cablevision to avoid any delay in rebuilding portions of the cable system.

The Massachusetts Department of Environmental Protection (DEP) next submitted notification that on July 8 they established a "Community Septic Management Program" to assist home owners in complying with the requirements of Title V. This so-called "Open Space Bond Act" will provide some $30 million in funding to the DEP for area communities. Selectman Schaefer asked that this information be forwarded to the Board of Health along with a request for their opinion.

At 7:10 pm the board met with Susan Snow, a resident of Rezendes Terrace, who came before the board to discuss a recent incident in which her son was injured. According to Ms. Snow, on January 2 at about 6:00 pm her son, Chad, was riding his bike with about twelve other children along Rezendes Terrace. A six-year-old driving a motorized go-cart struck Ms. Snow's son, knocking him off the bike. Though he was wearing a

helmet, he did incur facial injuries.

After calling 911 and transporting her son to the hospital, she was told by one of the doctors that had he not been wearing his helmet, he might have suffered severe head or neck trauma which may have required him to be airlifted to Boston. Ms. Snow came before the board to inquire as to why such vehicles are allowed.

"This isn't the first time my children have been threatened by this vehicle," she said. "Rezendes Terrace is a dead-end street ... and there is a speed limit posted. I just want to know what I can do to stop this in the future."

Chairman Dickerson, who said he was familiar

with the case in question, said although he sympathized with Ms. Snow, there was really nothing the board could do as Rezendes Terrace is one of many private roads in Marion. "The only (violations) which the Marion Police Department has any authority over are vehicular homicides and driving under the influence," Chairman Dickerson said. "I know you've spoken to the (Environmental) Officer about this ... but there isn't much we can do (to govern) a private way."

Selectman Schaefer concurred, stressing that the Board of Selectman cannot exercise any jurisdiction over a private road — much in the same way that they have no authority over someone's backyard. "We have no right to go one (someone's) private property and make rules and regulations," she said.

This being something of an emotional issue with Ms. Snow, she was unable to accept that there was no alternative to seeking private legal action. Chairman Dickerson agreed to consult with the Environmental Police — who were called to the scene due to the nature of the motorized cart — and agreed to check on the status of the legal complaint which Ms. Snow had previously filed.

"Maybe we can look into what progress is being made with your complaint," Selectman Schaefer said. "I know when children are involved, it's important to make sure they're safe."

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:30 pm. *Note: due to the board's alternating summer schedule, the board's next regular meeting will be held on Tuesday, August 6 at 7:00 pm.*

PLANS FOR FORESEEABLE FUTURE

If you are a househunter, no doubt you already have some preconceived notions about the fundamental requirements of your new home. Here's a thought to consider which may help facilitate the image of your new home's "master plan" as well as your long range financial planning:

Consider the stage of your family life, and how it should change within the next five to ten years. As your family numbers decrease by means of vocation, campus living, and marriage, so will your space requirements.

Don't imagine that your task is to find a home in which you will live happily all the rest of your days. A home is not forever. For perfectly sound reasons, such as advancing age, changing career prospects, changing family size and requirements, people tend to move on, often in less than ten years. So plan for the foreseeable future - not for infinity.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

Rochester Selectmen's Meeting

July 22, 1996

By Jennifer J. Ouellette

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, July 22 at 7:00 pm by Chairman Lorraine R. Hawkes. Also present were Selectman Richard D. Cutler, newly-elected Selectman William Chamberlain, and Secretary Veronica Lafreniere.

The board approved the minutes of the July 8 meeting.

At 7:30 pm the Board of Selectmen met with residents from the County Road extension regarding Gallo Construction. The board received several letters from neighbors of the soon-to-be-built recycling plant. Carol A. Clemenshaw did a large amount of talking for the group. She submitted a schedule of the trucks exits and entrances, as well as listed some of the concerns of the residents. Such concerns included:

• The early hours in which the Gallo workers begin — sometimes as early as 5:30 am;

• The safety of the five or six children that live near the truck access road;

• The need for an Earth Removal Permit.

Chairman Hawkes did confirm the fact that the company has no Earth Removal Permit with her fellow board members. There was also some discussion as to when the by-laws allow work to start, and whether Wareham should be brought into this issue.

Two motions were then made by the board.

The first was to send a letter to Gallo Construction explaining that the company needs to cease and desist their operations and come before the board to discuss these issues. This motion was passed unanimously. The second motion was to send a letter to the Wareham Board of Selectmen and invite them to come to the Rochester Selectmen's meeting which Gallo Construction will also attend. This motion was also unanimously approved.

Under incoming correspondence for the week, the board received a letter from the Annie Maxim House, Inc. that included checks to various departments in Rochester. The Selectmen

unanimously voted to distribute the checks to the appropriate department heads.

A letter was also received from Town Counsels Kopelman and Paige, P.C. regarding licenses and permits. It was stated in the letter that licenses and permits should not be issued to those people owning a property who have neglected to pay taxes and fees on any parcels. This correspondence was particularly concerned with the Zukowski Earth Removal Permit on Quaker Lane. Mr. Hall suggested that the board find the correct amount of money that is owed and the correct name of the debtor. Selectman Chamberlain made this into a motion that was unanimously approved by the board.

Also under correspondence a letter was received from RJM Corporation looking for permission to install underground electrical service at 192 Mendell Road. Selectman Cutler found no problems with this and motioned that the board allow RJM Corporation to install the service but also send letters to the Highway Department.

The board noted that a meeting will be held concerning Pauline's Way on Friday, July 26 at 8:00 am. Signatures were required and received for the Mattapoisett River Valley Water Supply Protection Advisory Commission and ORR Advisory Board Representative.

Under Old Business the appointments of Ruth Philbrook and Daniel Wandell as associate members of the Finance Committee (FinCom) needed to be signed. Chairman Hawkes was not in attendance at the last meeting discussing the

appointment of the two and was unsure of their commitment. However, once she was informed that the two members had already been appointed to the committee, she motioned that a letter be sent to Mr. Wandell to ask if his work is taking him out of town and if he could notify the Board of Selectmen because they have two other people on file for the position.

Under New Business Selectman Chamberlain brought up the issue of the administrative rights of the Selectmen's Chairman. Selectman Chamberlain moved that the chairman be allowed to make administrative decisions in between Monday meetings without having to consult the rest of the board. The motion was approved.

Chairman Hawkes suggested that the Selectmen's office and the Town Hall become more secure with the "changing of the guards." She suggested that the locks be changed and that the keys should only be given out to those who really need them. Selectman Chamberlain motioned to have Police Chief Walter Denham — who was in attendance and offered his assistance — contact someone to change the locks on the two doors to the Selectmen's office. The motion was approved unanimously.

Selectman Chamberlain also brought up issues including the improvement of the town's Earth Removal By-Laws, the upkeep of the employee information files in all required locations, and the need to change the appreciation of service letters to plaques or some other more formal

FLEAS

I have seen TV commercials for the flea products PROGRAM and ADVANTAGE. What is the difference? What are the pros and cons?

PROGRAM is a tablet (dogs) or liquid (cats) which, when given once a month, prevents fleas from reproducing. A single female flea may lay up to 200 eggs a week. PROGRAM prevents this buildup, but will not kill the original female flea.

ADVANTAGE is a liquid that is put on the skin of the neck of the dogs and cats. It will kill up to 99% of fleas on the pet for a month, but will be washed off if the pet swims or is bathed.

Both products are extremely safe. A 4 month supply of ADVANTAGE costs approximately the same as a 6 month supply of PROGRAM. Both are available as prescription items from your veterinarian.

Jackson's five for five with frighteningly fun film

By Rob Gonsalves

• ***The Frighteners.*** **Starring Michael J. Fox and Trini Alvarado. Directed by Peter Jackson. Running time: 106 minutes. MPAA rating: R. At Cinema 8 in North Dartmouth.**

Right at the beginning, when the camera dives through a hole in the floor and chases a woman down a flight of stairs, you know this isn't the usual summer bash. *The Frighteners,* directed by the hyperactive New Zealander Peter Jackson (who also wrote it with longtime collaborator and companion Frances Walsh), is relentlessly hectic and shamelessly melodramatic. You either go along for the ride or get out and walk. In all, it's the boldest ride of the summer so far — athletic, prankish, eye-popping. Every frame drips with Jackson's movie-making fever.

The script, which Jackson and Walsh initially sent to producer Robert Zemeckis as a *Tales From the Crypt* movie, occasionally betrays its derivative origins. *The Frighteners* is part *Ghostbusters,* part *Beetlejuice,* with sprinkles of *Badlands* and *Poltergeist.* Jackson never intended to direct it. But Zemeckis put him in charge anyway. Smart move. Like Brian De Palma, Sam Raimi, and Robert Rodriguez, Jackson pumps energy into clichés until they explode. We've seen some of the plot elements before, but never quite like this.

Michael J. Fox, sporting a hip new brush-cut, is Frank Bannister, a bogus "psychic investigator" with a clever racket: he works with three ghosts who haunt houses and conveniently leave Frank's business card behind. Frank has been busy lately, because people are dropping like flies all around town, their hearts mysteriously "crushed." The police suspect Frank (they're on to his scam), but he's the only one who can see the true killer: no less than Death itself, dressed in Grim Reaper robes.

What is this Death figure? Why do the victims have numbers carved into their foreheads? What does the plot have to do with the harsh old woman who won't let her daughter (*E.T.'s* Dee Wallace Stone) out of the house? Will Frank find love with a beautiful young doctor (Trini Alvarado), whose recently deceased yuppie husband (Peter Dobson) hangs around as a resentful ghost? Will I answer any of these questions? Nope.

Fox, whose comeback as a leading man deserves to begin here, smoothly handles both the slapstick and the poignant moments (Frank has a tragedy in his past). He works seamlessly with a variety of spectral visual effects, and he's generous enough to let Jeffrey Coombs *(Re-Animator)* steal the movie. Playing an obsessed FBI agent driven around the bend by joining too many cults (to spy on them), Coombs delivers his dialogue as if he'd just swallowed a live spider. He's creepy even when he isn't doing anything at all — he's a frightener, all right.

The real star of the movie, though, is Peter Jackson. This is his fifth film, and his first for a major studio. Before he spruced up his resume with the Oscar-nominated *Heavenly Creatures,* Jackson was notorious for *Bad Taste, Meet the Feebles,* and *Dead Alive* — three of the most disgusting (and most hilarious) movies ever made. *Heavenly Creatures,* brilliant though it was, worried me a bit: Had Jackson actually grown up? No, thank God. With *The Frighteners,* Jackson is battling five for five. The question now is whether America is ready for him.

This Week's Horoscope

by Linda Black

Weekly Tip: The sun's going from Cancer into Leo. This moves the action outdoors, since Leo is a sports-oriented fire sign.

Aries (March 21-April 19). Meet with your mate and make an agreement. Get serious about money. You could lose a lot if you don't.

Taurus (April 20-May 20). Your life's about to get more complicated. Let your partner carry the ball — he or she will get further than you would.

Gemini (May 21-June 21). Your level of confidence is improving. You'll express yourself beautifully. Work hard and you may earn more time off.

Cancer (June 22-July 22). You've been learning more about yourself lately. Now you get to learn more about money. Get something for the house.

Leo (July 23-Aug. 22). You're coming into your own. Study up so you can face a tough challenge. The worst is over, so plan to play.

Virgo (Aug. 23-Sept. 22). You're entering your annual completion phase. Start by straightening up your paperwork. Study the issues so you know exactly what you want to do next.

Libra (Sept. 23-Oct. 23). Your luck has just improved. Test it. Don't spend more than you have — it's not worth the pain.

Scorpio (Oct. 24-Nov. 21). Get the lay of the land. Test the waters. You may not win everything, but you'll find out what's possible.

Sagittarius (Nov. 22-Dec. 21). Friends steer you right. Obligations cloud the horizon. Get those done and your mood really improves.

Capricorn (Dec. 22-Jan. 19). Your focus shifts from partnerships to other people's money with a new assignment. Work with friends to beat the competition.

Aquarius (Jan. 20-Feb. 18). You'll get to delegate more of your work for a while. Start interviewing partners. It takes longer to get what you want.

Pisces (Feb. 19-March 20). It's time to get back to work. Temptation is strong. An older person's got your number. Go along with the program, to save stress.

If You're Having a Birthday This Week: Saving and spending are both important. Most important is making a profit. Make a big decision and you can settle down once and for all. Heed an elder's advice.

There is also a beautiful Maine Coon cat who needs a new home-the owner is allergic! The cat is up to date on its shots and has been sterilized. Please call 758-2896 if interested.

They are all vet checked, wormed, and vaccinated, just awaiting the move to a permanent home from one of our many foster situations. We are still in need of more foster homes and of course always need additional volunteers.

Cranberry Players Presents "Steel Magnolias"

Area theatre goers will be in for a treat at the Cranberry Players production of Robert Harling's "Steel Magnolias." The show will be presented as a dinner theatre at the Riverside Restaurant, Route 28, Middleboro on August 9th and 10th.

The close knit group of Southern ladies gathered in a small town beauty parlor is portrayed by six talented area actresses. Toi Soares from New Bedford plays Truvy, the owner of the beauty salon. Her new assistant, Annelle, is portrayed by Lori Pires of Dartmouth. The role of Clairee, the rich widow of the former mayor is performed by Lillie LeBlanc of Middleboro. Stacey Sanborn from Taunton appears as Shelby, the lovely young bride. Linda Monchik of Mattapoisett is cast as Shelby's mother, M'Lynn. Rounding out the cast is Lakeville's Kathy Bourne as the wealthy curmedgeon, Ouiser.
